

GIVE A CHILD A SUMMER MEAL

Drive-Thru Food Drive

June 11th 3-7PM

Red Hook Community Center

59 Fisk St. Red Hook: (845) 758-0077

Please, help your neighbors this summer by donating non-perishable food items for our Red Hook Central School District families who depend on the food service to feed their children breakfast and lunch during the school year. Together we can provide food for their tables over the summer vacation! Let no child go hungry. A tent will be set up outside the community center (rain or shine)--drive right up and we will take it from there!
