POLICE

Mayor Blundell read the police report for the month of February

395 Incidents, 128 UTT's, 21 Arrests

PLANNING AND ZONING

Trustee Trapp read the following planning and zoning report

7 building permits, 2 certificates of occupancy, 11 certificates of compliance, 1 municipal searches, 1 stop work order, 1 complaint. \$ 1,446.00 was collected in fees.

WATER

Trustee Zacharzuk read the following water report:

During the month of February, the water treatment plant treated 7,605,000 gallons of water at an average of 262,000 gallons per day.

The plant used 55 gallons of liquid hypochlorite solution at an average of 1.89 gallons per day.

The Dutchess County Health Department has asked that we increase our number of system representative coliform testing samples from two to three each month, as the town customers, when counted in addition to the village customers, now bring our total population served above the 2,500 threshold. These three were submitted to Smith Laboratory in Hyde Park, and all three returned a negative result.

One raw water sample from well # 15 was submitted to the lab, and returned a negative result. As of May, this 12 month sampling regiment for the new shallow-casing gravel well finished in the winter of 2015 will be complete, and will continue to be sampled on an annual basis for a continuous data point to monitor.

Phase II of the Water System Improvement project was begun in the third week of February by Jersen Construction Group. Water main replacements will begin in March on Smith Street and will continue on Zipser Lane and Garden Street. There should be very little interruption of service, as the old mains will be in service until the new one is brought into service and each property is connected to it one at a time.

Robert Flores stated the village water use is over the threshold which will now require 3 samples a month. Phase II – started with Smith Street – 780' of pipe has been installed. Mayor Blundell stated there is an informational video for viewing on the Village web and Panda. The 1st payment application was submitted for \$ 136,611.81.

EVENTS:

Our annual Egg Scramble will be Saturday, March 19 from 11-1 at the Linden Avenue Middle School Lawn. This is held in conjunction with the Red Hook Library and the Red Hook Police Department.

Upcoming: Apple Blossom Day will be Saturday, May 6. For more information, please contact the Red Hook Rotary.

The 3rd annual Red Hook Film Festival will be May 6-7 in conjunction with Apple Blossom Day. Filmmakers within a 150 mile radius are invited to submit to this years 2016 Red Hook Film Festival. Although their focus is regional, they remain open to national and international submissions. There is a free entry for local filmmakers in Ulster and Dutchess counties. More details: www.redhookfilmfestival.com.

3rd annual Bike Rodeo will be Saturday, May 14, the same day as the annual Tour de Red Hook. Stay tuned for more details.

Hardscrabble Day will be Saturday, September 17, 2016

MATERIALS MANAGEMENT:

For the month of February, we sold \$1,640.00 in garbage tags and paid out \$1,333.99. We had 12.76 tons of garbage and 6.84 tons of single stream recycling. Tag numbers are low. The Spring tag sale will begin April 1 through June 31st. Buy 10 and get 1 free.

LIBRARY

The big news is that the construction project is going well, and they hope to return to our regular hours for the main floor by March 16th (that would be 10 a.m. to 7 p.m.).

Because construction is continuing on the top floor, that will be closed to the public, and the Children's Library will only be open abbreviated hours, from 3:30 to 7 p.m.

HIGHWAY DEPARTMENT FEBRUARY, 2016

1. The Village's Snow Ordinance is currently in effect until March 31, 2016. No parking is permitted on Village streets from 11:00pm to 6:00am; and on NYS

Highways (Route 199 (Market Street) and Route 9 (Broadway)) from 2:00am to 6:00am (re: Local Law #4 (6/9/14); Section 190-28A, 190-28B). When snow and/or ice removal operations are underway, any vehicle parked or abandoned on any street, may be removed by, or under the supervision of, the Red Hook Village Police Department or any responding law enforcement agency. Costs associated with vehicle towing and storage will be charged to the vehicle's owner(s).

Vehicles found in violation of the Snow Ordinance will be towed and stored by H&N Towing Enterprises, LLC (7309 South Broadway, Red Hook, NY). A \$110.00 towing fee plus a \$25.00/day storage fee (for vehicles not claimed within the first three days) will be charged to the vehicle's owner(s). Owners can contact the RHV Police Department (845-758-0060) or the Village Clerk's Office (845-758-1081) for more information.

2. The owner or occupant of every building/lot in the Village, with an adjoining sidewalk, shall remove snow and ice within 24 hours of a snow storm (re: RHV Local Law #1-199; Section 165-1). At the discretion of the Village Board of Trustees, the Village Highway Department will remove snow/ice, left uncleared, at a cost of \$2.00 per linear foot. This cost will be assessed and collected with the next tax levy (re: RHV Local Law #1-199; Section 165-4B).
3. The PDCTC will be conducting its 2016 Traffic Count Program between April and November, 2016. The PDCTC uses the data collected from these counts for traffic modeling and long-range planning. The locations where traffic counts will occur in the Village of Red Hook includes:
 - Linden Avenue (CR 79) from West Market Street to RHV line.
 - Baxter Road from Fisk Street to East Market Street.
 - Firehouse Lane from South Broadway to Elizabeth Street.
 - Fisk Street from South Broadway to Baxter Road.
 - Park Avenue from Linden Avenue to Old Post Road.
4. Scrap metal was sold on January 4, 2016 (9,080 lbs yielding revenue of \$162.14) and on February 18, 2016 (5,680 lbs yielding revenue of \$101.43), for total revenue of \$263.57. Total revenue generated for FY2015-2016 is \$770.18. Since inception of the Scrap Metal Recycling Program in September, 2007, \$19,247.92 has been generated. Proceeds from this program go toward the purchase of tools and equipment for the Village Highway, Water and Materials Management Departments. Residents and businesses interested in donating scrap metal can contact the Highway Department (845-758-8600) or the Village Clerk's Office (845-758-1081). The Highway Department personnel will assist property owners by picking up scrap metal upon request.
